

RELIGIOUS EDUCATION TEACHER, The Unitarian Church of Quincy IL.

Position: Religious Education Teacher
Employer: The Unitarian Church of Quincy IL
Compensation: \$12/hr
Hours: 4hrs/wk Labor Day through May 30.
Start Date: immediately

The Unitarian Church of Quincy IL is a liberal religious community with considerable religious and spiritual diversity. We have members and friends ranging from theists to atheists. Humanism, Christianity, Buddhism, Judaism and Paganism are also practiced by our members. We are grounded by our common Unitarian Universalist values more than common beliefs about God or the sacred. We proclaim that we need not believe alike to love alike.

The Religious Education Teacher prepares and offers a 45-minute Religious Education class on most Sunday mornings from the Sunday after Labor Day to the Sunday before Memorial Day Weekend. The class could include a wide range of ages and different levels of ability. There are generally 2-6 children present. There will be several intergenerational services during the year. The Religious Education Teacher is not required to be present for those services.

While we do not require the position of Religious Education Teacher to be filled by a Unitarian Universalist, we do expect that applicants will be open minded and comfortable working with a diversity of religious expressions, sexual orientations, gender identities, and family structures. The Minister will provide education about Unitarian Universalism, our values, and our history.
