May Day is coming up!

April 28 : May Day is coming! We'll be celebrating this Pagan tradition with a Maypole. The Maypole has its roots in ancient Rome and ancient Germany. In the 17th century, Maypole celebrations were banned because they were seen as being immoral in Christian societies. If you're new to this congregation, we invite you to come and enjoy this lively annual Beltane celebration on April 28 during Fellowship. Paul and Alice Miller will supply the pole. Mary Ann Freeman

APRIL FIRST FRIDAY

Paul and Alice Miller will host the next First Friday on April 5 starting at 6 pm at Alice's farm between Monroe City and Palmyra. We will likely begin the festivities in the 106 year old farm house that has been fully restored. This is the family home where Alice grew up. We will also migrate to the milk barn built in 1953 that Paul and Alice have been restoring into a man cave / party barn. Weather permitting, there will be a bonfire near the milk barn.

The address is 3398 County Road 238, Monroe City MO 63456. This is roughly a 40 minute drive from church going through Palmyra.

Contact information is 864-593-7358 for Alice and 573-719-6839 for Paul. Map and more detailed information will be made available on the church FaceBook page as the day approaches.

As always, bring a beverage and something savory or sweet to share. Since there will probably be a bonfire, you may also wish to bring champ chairs and warm clothes for sitting outside. This will be a fun evening in the country.

MINISTERS' MESSAGE

We are planning our next workshop, which will be a return to the topic of "Reconciliation." It will take place on Saturday, April 20, from 1:30 to 3:30 at the church. At our last reconciliation workshop, two distinct streams of thought emerged. One was personal reconciliation, with family and friends, and the other was institutional reconciliation, with a focus on what the church means to us today, what it has meant to the community in the past, and how to reconcile its history with its present. This line of discussion may eventually lead to a Sunday service on this subject in the future, so if you have ideas about reconciliation, especially with regard to our church's place in this history, present, and future of the area, please come and share them. We'd love to have new participants in this workshop as well as returning attendees from the first one.

With the workshop on that Saturday, and Steve giving the talk on Sunday the 21st, we'll have the opportunity for social interaction if anyone has a free evening. Just let us know.

FROM SANDY ECCLES:

Thank you so very much for the donations and cards, love and support I have received from the UU congregation. My recovery is going well, but slow (for me). I will be recovering in Columbia until May first. Hopefully I will be recovered enough to attend church in person rather than zoom.

Very grateful for so much,
Sandy Eccles

BAKE SALE

Mark your calendars for the April 27,2024, annual Plant, Book, & BAKE SALE.

Requesting members and friends to consider contributing one or more of your favorite baked goodies so that we can offer a tempting variety for our popular bake sale. We will be offering Chris's freshly baked homemade cinnamon rolls with that amazing aroma drifting through the church as the customers come in. Chris will also be baking her famous pies and selling her homemade mustard. Always popular items are the yeast and quick breads, scones, coffee cakes, cookies, brownies, & cupcakes. Such things as jellies, granola, gluten-free and sugar-free items are also requested. The customers like items plated in small amounts (like a half dozen cookies & small pies) so that they can purchase several different varieties. Please indicate any ingredients that could cause allergic reactions such as nuts. We will have paper plates and zip lock bags available for packaging. Please bring your bakery items to the Heritage/Resource room on Friday, April 26, by 6:00 p.m. to price and arrange on our tables. We want to have everything ready for the doors to open at 9:00 a.m. Saturday as the customers swoop in to grab their favorites. Last year's bake sale brought in almost \$1400—so we have our work cut out for us to top that!

For more information, please contact Leann Flanagan!
