## UPCOMING SERVICES

**Zoom Link: <https://zoom.us/j/92938165235>**

### **April 3rd Service**

**Speaker: Michael McLaughlin**

**"The Purpose of the Physical Reality"**

What is my purpose? Why am I here? Is that all there is?

### **April 10th Service**

**Speaker: Steve Wiegenstein**

**"Walt Whitman, American Prophet"**

The UU Touchstones theme for April is "Theological Reflections," and in addition, April is National Poetry Month. This conjunction provides an opportunity to think about the great American poet Walt Whitman. Does Whitman have anything to tell us in the 21st Century? Let's dive into Whitman's poetry, his philosophy, and his everlasting faith in the human spirit.

### **April 17th Service**

**Speaker: Jim Burns**

**"Why I Became A Unitarian"**

The Easter Story of the Resurrection of Jesus of Nazareth from the tomb carries varied levels of importance to us. Jim will share his unique understanding of this event, and how it follows the trajectory of his spiritual life and impacts his journey through time.

### **April 24th Service**

**Speaker: Doug Muder**

**"Where Did Christianity Go Wrong?"**

You have to make a lot of mistakes to get from the Sermon on the Mount to anti-LGBTQ bigotry, science denial, conspiracy theories, and today's "Christian" values. Here are six of them.

Simply put, use sensible discretion. Donations can be brought in boxes, paper or plastic bags or what-have-you to Sunday services or contact me at [susan\\_2821@yahoo.com](mailto:susan_2821@yahoo.com) for pick up at your convenience or further info.
